

ALLEGED DYNAMITER OF CHICAGO & ALTON BRIDGE UNDER ARREST

Walter Young, One of Men Accused of Dynamiting Bridges Near Roodhouse Last August, Arrested at Dallas, Texas—Five Others Held in Springfield on Like Charge

DALLAS, Texas, Jan. 18.—Walter Young yesterday admitted to department of justice agents that he is the man wanted by federal agents in the southern division of Illinois in connection with the dynamiting on August 27, last year, of two bridges over the Chicago & Alton railroad near Roodhouse, Ill., federal officers said today.

NEW GRAY NAMED AS MEMBER OF THE KIDNAPPING BAND

Witness so Testifies on Stand at Open Hearing Thursday

BASTROP, La., Jan. 18.—Testimony as to the identity of at least one member of the masked band which on August 24 kidnapped Watt Daniel, T. F. Richard and several others was offered today at the open hearing being conducted here by the State of Louisiana into the activities of hooded men in Morehouse parish.

The mutilated bodies of Daniel and Richard were found several weeks ago floating on the surface of Lake Fourche. Pathologists reported that the two men had been tortured to death before their bodies were weighted down and thrown into the lake. Other members of the kidnaped party have testified to having been fogged by the kidnappers.

Fred Eubanks, a witness today, testified he was held up by masked men on the Bastrop-Mer Rouge highway that evening and that he recognized New Gray as a member of the party. Much of the testimony both yesterday and today centered about Gray and certain questions put to him while on the stand Tuesday and Wednesday drew from his counsel the objection that they bordered on the third degree variety.

Gray's first appearance on the stand was today. He testified he was notified by William Higginbotham, a planter residing near Mer Rouge that he had received a warning letter mailed in Monroe. The letter was received by Higginbotham on August 24, the day a baseball game and barbecue was held here.

Higginbotham, according to Gray showed the letter to Gray, "Jap" Jones and Thomas Higginbotham, a relative. It was decided that if any attempt were to be made on Higginbotham's life it would occur that night and Gray said he volunteered to go to the Higginbotham home to act as a guard.

ITALY WILL NOT SEND TROOPS TO COBLENZ

Washington, Jan. 18.—(By A. P.)—The Italian government it was stated tonight in well informed circles in reference to certain published reports is not negotiating with the French government with the view of sending troops to the Rhineland in place of the American troops recently withdrawn. In the same circles denial was also made of published reports that Italy was contemplating sending a high commissioner to Coblenz.

LOREN MURCHISON DEFENDS TITLE

NEGOTIATIONS TO REFUND WAR DEBTS TO BE CONTINUED

Will be Carried on Thru British Embassy in Washington

(By The Associated Press) WASHINGTON, Jan. 18.—Discussions between the American and British debt commissions were adjourned today but with an understanding that the negotiations for the refunding of Great Britain's huge war debt to the United States would be continued thru the British embassy here after the arrival of the British mission at London at the end of next week.

Upon the conclusion of the final joint session of the commissions, an official spokesman voiced the expectation that the consultations which the British group are to have with their cabinet immediately after they reached London would pave the way for an agreement in principle in time for action by the American congress at the present session which ends March third. It was agreed that unless there could be an understanding within that time a refunding arrangement could not become operative under one year.

The official spokesman declared there was nothing that should stand in the way of an understanding in the very near future. Generally speaking, he said, a plan had been shaped up but there remained for final determination the more important points including the exact interest rate and the amounts of the annual payments to be made by the British government. On these, he continued, the commissions were not very far apart.

With the British commissions in possession of full and first hand information as to the situation here the spokesman said they would inform their cabinet in detail just what would have to be done to meet the American views and the reasons why those views were held.

Immediately after today's session Stanley Baldwin, head of the British group and the other members of the British mission, departed for New York. They will sail for home Saturday, arriving on Friday of next week. It was stated that Mr. Baldwin expected to confer with the cabinet on the day following and that the negotiations would be resumed thru the British embassy during the week beginning January 28.

The debt discussions it was made known that Ambassador Harvey, who was recalled from London before the arrival of the British mission in this country would return to his post in the very near future.

SINCLAIR ORDERED TO PRODUCE BOOKS

(By The Associated Press) WASHINGTON, Jan. 18.—Harry F. Sinclair was served with a subpoena for the books and records of the Hyva corporation, a Sinclair-owned concern today after Mr. Sinclair had refused to concede the right of the senate oil investigating committee to go into all affairs of the corporation pending consultation with its attorneys and had failed to return to the committee session after two hours' absence. The subpoena was made returnable Monday.

Mr. Sinclair appeared a few minutes after the committee adjourned with a statement which as given out by him said that he would willingly supply any records bearing upon subjects under inquiry by the committee but that he was not willing to produce the records of the Hyva corporation that pertain to other matters not pertinent to the subject matter under inquiry.

TWO KILLED WHEN AIR MAIL PLANE FALLS

(By The Associated Press) CHEYENNE, Wyo., Jan. 18.—Pilot P. S. Oakes and Mechanician William Acker were killed when an air mail plane they were testing crashed at the local field today. The airplane fell about 500 feet and instantly burst into flames. Both bodies were burned. At a height of about 100 feet, observers state, Oakes attempted the maneuver known as the "limmerman turn" which is considered unsafe at any altitude less than 2,000 feet. As the airplane swung with its nose to the wind it upended and shot to the earth. The dust raised by the impact mingled with a burst of flames as the gasoline ignited.

HELEN WAINWRIGHT DEFENDS TITLE

Brookline, Mass., Jan. 18.—Miss Helen Wainwright, New York Women's Swimming association, tonight defended her title of national woman swimming champion at fifty yards by leading a field of twelve at the distance. Her time was 39.1-2 seconds.

WHITE SOX SIGN HAWAIIAN PITCHER

Honolulu, Jan. 18.—(By The A. P.)—Neil Blazdel, who formerly pitched at St. Louis college here has been signed for a tryout with the Chicago White Sox, according to J. A. Beaven, local sport promoter.

Jury Unable to Reach Decision

ADVANTAGES OF POSSIBLE MERGER WERE PORTRAYED

Witnesses Say That Public Interests Will be Best Served

(By The Associated Press) MARION, Ill., Jan. 18.—After ten hours of deliberation without reaching a decision, Judge D. T. Hartwell said he would be ready to receive a verdict reached at 9 o'clock tomorrow morning. There was no indication as to the progress of the jury's deliberations.

Under the instructions given by Judge D. T. Hartwell the jury will return separate verdicts for each of the defendants and may find one guilty and another innocent. At the same time the jury will fix the punishment, if any, ranging from death to fourteen years imprisonment.

"Its murder or nothing," Judge Hartwell said after the jury had retired and refused to give any instructions regarding self defense, extreme provocation or justifiable homicide.

In his instructions, Judge Hartwell outlined the law regarding reasonable doubt, aiding and abetting conspiracy and declared that the jurors should not go outside the evidence to obtain doubts. He gave no instructions regarding the alibi evidence offered by the defense but did refer in one paragraph to the mine union.

"The jury is instructed that under the law of Illinois it is not unlawful for a person to mine coal without being a member of the United Mine Workers, such assault or killing cannot be justified on the ground that they were mining coal without belonging to the United Mine Workers," he said.

Defines Conspiracy. The court also held that if the evidence showed that if the defendants took the prisoners from the mine as a part of a conspiracy which resulted in murder, they were as guilty as they had taken part in the killing even if they were actually miles from the scene at the time of the slayings.

In the case of Otis Clark, a defendant, Judge Hartwell said that if the jury found that he had helped to take the prisoners from the mine and then had publicly announced his withdrawal from any acts of violence he should be found innocent unless it was also found that his previous actions had resulted in the slaying.

During the afternoon the jury carried on its deliberations while locked in the court room where the trial was held. The entire second floor of the court house was reserved for their use. A small group of jurors remained in apparent argument about one of the counsel tables until shortly after 6 o'clock when they were taken to a restaurant for dinner.

At that time according to employees at the restaurant the jurors appeared in unusually good spirits and George Cox the only union miner on the jury who was reported sick during the afternoon was quoted as saying "I'm not as sick as they think I am."

After dinner the jurors went to their quarters on the top floor of the jail to continue their deliberations, declaring that they were more comfortable in the jail than they were in the court room. Judge Hartwell said that he would receive a verdict if it were returned any time before midnight.

GET COMMUNICATION NEW CASTLE AFFAIR

(By The Associated Press) WASHINGTON, Jan. 18.—(By The A. P.)—Receipt by the Washington government of the long expected communication from Great Britain on the New Castle consulate situation was admitted today at the state department but officials declined to make any statement as to whether the communication was satisfactory. Previous statements however, still prevailed that this government would not re-open the consulate until the British authorities publicly expatriated Consul Slater and Vice Consul Brooks from charges that they had acted improperly in using the New Castle office to promote American shipping interests in discrimination against the British merchant marine.

PRESIDENT IS NOW RECOVERING

Washington, Jan. 19.—President Harding was reported tonight by Brigadier General Sawyer his physician to be making favorable progress toward recovery from the attack of grippe which he had been suffering the last few days.

Dr. Sawyer said however he deemed it a bit inadvisable for the president to go to his office tomorrow and had advised him to "stick pretty close to his room."

The president remained in his room today and was said to have rested "reasonably well."

QUIET AND ORDERLY AT HARRISSON'S REA TELEGRAPHS STONE

Tells Labor Leader Law is Now Taking its Course

(By The Associated Press) LITTLE ROCK, Ark., Jan. 18.—Governor T. C. McRae late today assured officials of railway shop crafts thru Warren S. Stone, grand chief of the Brotherhood of Locomotive Engineers, that conditions along the route of the Missouri and North Arkansas Railroad again are normal and that the authorities are in complete control of the situation.

The governor gave this information in a telegram to Mr. Stone replying to one from the labor leader stating that his information was that "the state is doing nothing to stop these depredations."

Stone's telegram sent from Chicago read as follows: "We have reliable information that the town of Harrison, Arkansas, is under mob law and that men and women are being shamefully treated to the extent in some instances of lynching. We understand that the state is doing nothing to stop those depredations or is unable to cope with the situation."

"We appeal to you as governor of the State of Arkansas to see to it that these wrongs are discontinued at once and justice meted out to those participating therein."

(Signed) "Warren S. Stone, Grand Chief, B. L. of E., D. G. Robinson, President B. F. F., W. G. Lee, President B. R. T., E. G. Manion, President O. R. T., S. N. Berry, Acting President, O. R. C."

In reply the governor wired: "W. S. Stone, Grand Chief, B. L. of E. and Others:

"Replying to your telegram of yesterday, will advise that I also have reliable information about situation at Harrison, Ark. One lynching occurred there as result of bridge burning and sabotage along Missouri & North Arkansas railroad, which lynching and which sabotage I have emphatically condemned. Harrison is now quiet and orderly. Court and grand jury there in session and investigating. Two strikers have pleaded guilty to bridge burning and sentenced to penitentiary. Upon my recommendation legislation now in session has ordered thorough investigation at Harrison. Sheriff at seat of trouble advises that state militia not needed. City officials in full control."

(Signed) "Thomas C. McRae, Governor."

The governor again today received messages from the sheriff and other county officials assuring him that orderly processes of law obtain and detailing the progress now being made toward clearing up the alleged disorders and apprehending those said to be guilty of depredations along the railroad during nearly two years.

The two men sentenced to prison arrived today and began their terms of seven to ten years. They are reported to have said here that they were not guilty but pleaded guilty to save their lives.

The president of the state senate today appointed a committee of three members to conduct an investigation of the recent troubles along the Missouri and North Arkansas railroad. The house committee was named yesterday.

PEEP HOLE THEATER ENTERTAINERS GUILTY

(By The Associated Press) CHICAGO, Jan. 18.—The manager, eight girl entertainers and forty alleged patrons of a "peep hole" theater arrested by police who claimed the dancing was indecent, pleaded one of the girls in costume to dance before the jury in Judge Richardson's court today in an effort to prove the merit of the attraction. The jury found the dancer, one of her girl companions and the manager guilty as charged. Sentence was suspended pending motion for a new trial.

The trio face fines of \$300 or one year's imprisonment.

KU KLUX KLAN PARADES IN WACO

Waco, Texas, Jan. 18.—Headed by the grey cross and American flag a dozen unmasked men and eight car loads of original members of the Ku Klux Klan, klansmen paraded the main streets of Waco tonight in the largest parade held in this country since an attempted procession of the Ku Klux Klan was stopped at Lorena with fatal results by the McLennan county sheriff.

FRENCH ARREST DR. SCHLUTZ

Berlin, Jan. 18.—A Dueseldorfer despatch says that the French have arrested Dr. Schlutz, president of the state finance department because he refused to hand over the records of his office to the occupation officials.

CENTRAL COMPETITIVE FIELD IS SCRAPPED BY MEETING THURSDAY

In its Stead A New Tri-State Competitive Field is Mapped Out at Meeting Yesterday—New Field Consists of Indiana, Illinois and Ohio—Pennsylvania is Left Out

(By The Associated Press) NEW YORK, Jan. 18.—The old "central competitive field" basis upon which wages and working conditions in the bituminous coal industry have been determined almost continuously since 1898, was scrapped today by operators and union officials, conferring on 1923 wage contracts.

In its stead a new tri-state competitive field was mapped, consisting of Indiana, Illinois and Ohio, and eliminating Pennsylvania. Upon this tri-state basis the conferees now hope to proceed with the establishment of standard wage rates which operators and miners thruout the United States may use as a guide in peaceably working out contracts this spring.

Miners and employers declared at the close of today's sessions that they were reasonably certain to complete their work within a week.

The interim to April 1 then would remain for the negotiation of new wage scales thruout the industry, existing contracts expiring on that date.

Agreement of both parties to the negotiations to proceed on a tri-state basis was looked upon as a big stride toward the elimination of all possibility of a strike this season.

It was the problem over which operators and miners split last year—the bituminous strike resulting. The former demanded elimination of the old "central competitive field" in favor of contracts between owners and workers in less all-embracing districts. Their refusal to deal with the United Mine Workers of America was attributed to the insistence of John L. Lewis, president of the organization upon retention of the four-state method.

Today's speedy overthrow of the old order and the substitution of an even smaller "competitive field" therefore surprised both operators and union delegates.

The agreement was not without an upheaval which resulted in the credentials committee refusal to seat "independent" operators of Southern Ohio and Western Pennsylvania. It was victory for the tri-state operators.

Mr. Lewis, for the miners, favored seating the "independents" asserting that while the Pittsburgh Coal Operator's association had declined to participate the independents represented the biggest production.

As now constituted the three state competitive field represents approximately 180,000,000 tons of the nation's normal total of 500,000,000 tons production. It will contract wage scales with the United Mine Workers of America upon the basis of which but with variations according to local markets and mining conditions, district unions will sign with owners in states outside of Indiana, Ohio and Illinois.

DISCUSSION OF REQUEST STAYED

(By The Associated Press) PARIS, Jan. 18.—Formal discussion of Germany's request for a moratorium which was to have begun tomorrow in the reparations commission has been postponed for a few days, and it now seems probable that initial consideration of the question will not come up until next week.

Among the most important reasons advanced for this delay is the reliably reported effort on the part of Italy to arrange a compromise between Paris and Berlin, with Italy as mediator of the present differences.

Altho Italy approved the French policy of economic seizures in the Ruhr Valley it is now clear that Premier Mussolini does not approve of the extensive military operations which the French declare were made necessary by the German policy of passive resistance.

In well informed diplomatic circles it is explained that all Mussolini's efforts are being directed toward an agreement between France and Germany which would make extensive military operations unnecessary.

AMERICANS BUY LIFE INSURANCE

New York, Jan. 18.—Life insurance bought by the American people in 1922 exceeded by 12 per cent the total purchased in 1921, it was shown today in a report filed with the United States department of commerce by the Association of Life Insurance Presidents.

FIND FARMER DEAD IN CHAIR

WELL KNOWN STAR OF MOVIE WORLD DIED YESTERDAY

Wallace Reid Lost in Fight to Overcome Drug Habit

(By The Associated Press) LOS ANGELES, Cal., Jan. 18.—Wallace Reid, hero of romantic film plays, lost his life in fighting to overcome the drug habit, the end coming this afternoon at a sanitarium in Hollywood where he had been under treatment for more than a month. He had been unconscious for nearly two days during all of which his wife, Dorothy Davenport, was at his bedside.

The direct cause of death, according to Mr. Reid's physician, Dr. G. S. Herbert, was congestion of the lungs and kidneys, which resulted from the actor's collapse when he endeavored to break off the use of narcotics.

Reid, who was six feet tall and whose normal weight was 185 pounds, lost sixty pounds before the end came. Up to about a week ago relatives said he was improving and would be able to resume work in the studio of the Famous Players - Lasky Corporation by the end of the month.

"I'm winning the fight, mamma," was his invariable greeting to his wife when she called on him. Mrs. Reid said her husband contracted the drug habit during an illness nearly two years ago. He was working on a film when he suddenly collapsed.

He was advised to take a long rest and started on a mountain trip with Mrs. Reid, Terry Hayes, his trainer and H. H. Muller. On his return to Los Angeles his condition showed no improvement, he went to the sanitarium. Shortly before Christmas his family made public the cause of his breakdown, Mrs. Reid declaring she believed the information might aid in arousing the American people to the necessity of suppressing the narcotic traffic.

**A THOUGHT**

If all the persons employed in the production of motor vehicles and allied lines were mustered into battle array, we would have the sizable army of 2,431,400. Last year they produced 4,800,000 cars and trucks, wholesale value \$2,933,000,000 and 36,340,000 tires. Approximately 11,500,000 motor vehicles were registered, which is 81 per cent of the world's registration. About 3,500,000 were registered on the farms. Gasoline consumption reached 5,300,000,000 gallons and 83 per cent of our rubber supply went into the business. We exported about \$124,000,000 worth of vehicles and parts. Compare this with any other country in the world and ask yourself if the little old U. S. A. isn't a pretty good place to be and a pretty good country to keep away from hatred, jealousies, intrigues and miseries of Europe.

**ADD THREE WORDS A DAY TO YOUR VOCABULARY**

**UNCOUTH**  
Adjective; pronounced un-koot; accent on second syllable. Ungainly; bungling; awkward; not knowing; ignorant. Example: He was a large, uncouth sort of fellow, but had, really, a kindly face.

**COVETOUS**

**FUNERAL SERVICES FOR JOHN M. BUTLER HELD**  
Prominent Attorney Is Buried Thursday Morning With Impressive Rites—Large Throng Witnesses Ceremonies at the Church of Our Savior.  
Funeral services for Attorney John M. Butler were held at 9 o'clock Thursday morning from the Church of Our Savior. They were largely attended and many legal associates of Mr. Butler from out of the city were present. Very Rev. Dean F. F. Formaz conducted the services. The Morgan County Bar association attended in a body, acting as escort for the funeral cortege from the residence to the church and thence to Calvary cemetery, where interment was made.  
The many beautiful floral tributes were in charge of Mrs. Chester Hemple, Mrs. Howard Stevenson, Mrs. James V. Kennedy, Miss Sharpe and Miss Edna Walsh. Two occupants of the casket were in this district attended the funeral; they were Judge E. S. Smith of Springfield, and Judge Norman L. Jones of Carrollton.  
Pall bearers were: Judge Norman L. Jones, Dr. F. A. Norris, Fletcher Hopper, Judge E. P. Brockhouse, W. T. Harmon, W. T. Wilson and Edward Beggs.

**NORTHMINSTER CHURCH MISSIONARY SOCIETY**

The Missionary society of Northminster church held its regular meeting Thursday afternoon. The leaders were Mrs. Mary Sperry and Mrs. Carrie Joaquin. After devotional exercises a fine program was enjoyed. Mrs. Edna Van Wormer read a very interesting paper of how the Chinese woman like sewing and fancy work, the same that we do. Mrs. Ols Sheppard read a very interesting story on home mission work. Mrs. Lydia Scott and Mrs. Jennie DeFrettes sang a duet. Greetings were read from Mrs. Emma Viera, one of the members who is now a resident of Beards-town. The officers for the coming year are as follows: President, Mrs. Simeon Fernandes; vice president, Mrs. Nellie Timmerman; recording secretary, Mrs. Margaret Connor; corresponding secretary, Mrs. Effie Martin; treasurer, Mrs. Mary Day; Coll. Mrs. Sophia Day; organist, Mrs. Lillian Sardinia; assistant organist, Mrs. Jennie DeFrettes.  
There was a large attendance and a very interesting meeting. Refreshments were served after the meeting and a very pleasant social hour was enjoyed.

**MIAMI PROFESSOR TO GIVE HISTORY LECTURE**

Professor Clarence E. Carter of Miami, Ohio, university, who is visiting his parents, Mr. and Mrs. E. R. Carter, 279 Sandusky street, before going to Austin, Texas, to hold the chair of American history for the second semester in Texas university, has been invited to speak to the advanced history class at 8 o'clock this morning at the Jones building, Illinois college.

Professor Carter is rated high as an authority on the British period in American history, and his subject this morning will be related to that period, "The Military Power of Great Britain in America in the 18th Century." Friends who are interested in the subject are welcome to attend the lecture.

**PREXY'S RECEPTION WITH STUNTS TONIGHT**

Illinois college students will be the guests of President and Mrs. C. H. Rammelkamp at the president's home tonight. Each class, according to the custom at this annual affair, will present a play or stunt, the best one receiving a prize.

In former years these class stunts have been a strong factor for wholesome class spirit and co-operation, and have encouraged latent talent in acting, dancing, stage management and writing. Perhaps the strongest feature within recent years was a pageant, "The Founding of Illinois College," by Paul Watkins, '18, now city editor of the Evanston News-Index. Other especially good stunts have varied from a "Conflict of Courses" sketch by Henry Caldwell, '17, to a popular dance review, by everybody, in 1920.

**OBITUARY**

Betty Jane Horton was born in Franklin, Ill., June 6, 1919, and passed away January 16, 1923, at 10 o'clock p. m. Little Betty was afflicted with something beyond a physician's skill. She contracted pneumonia and passed away at the home indicated. She leaves to mourn her going her bereaved parents Mr. and Mrs. Arleigh Horton, two brothers and one sister, Charles, aged 5; Edward, aged 2, and Ruth, aged 6 months.

The funeral was conducted from the Gillham Funeral Home in charge of Elder Rice of Central Christian church. The bearers were Myrtle Kloppe, Thelma Sinters, Marguerite Bennett and Elizabeth Hagerty. The beautiful flowers were in charge of Frances Bennett and Clara Taylor. Interment was in Jacksonville cemetery.

**ELM GROVE**

Mr. and Mrs. Frank Ranson spent Thursday afternoon with Mr. and Mrs. C. W. Potter.  
Miss Ruth Hamel visited with Mrs. Joe Barnhart Thursday.  
Mrs. E. L. Hamel spent Wednesday afternoon with Mrs. C. E. Hamel and Ruth.  
Walter Fearnough and family visited Sunday evening with Mr. and Mrs. John Tobin and family.  
Albert Potter called on C. W. Potter Monday.  
Misses Bernice Hammel, Mary and Elizabeth Welsh spent Sunday afternoon with Misses Bell and Marie Lewis.

**CARD OF THANKS**

We wish to extend our sincere thanks to our many friends for their kindness toward us in our sorrow and bereavement, also for the beautiful flowers and the use of their cars.  
Mr. and Mrs. Arleigh Horton.

O. H. Neiman of Aranzville was in the city yesterday transacting business with local merchants.

Mrs. E. C. Stevenson of Little Indian was among Thursday shoppers in Jacksonville.

**DR. P. H. GRIGGS IN BRILLIANT LECTURE**

Speaks on Theme "Lights and Shadows of the Present Age" Before Woman's Club—America Must Lead Way He Says.

"If a way out is found, America must lead the way," declared Dr. Edward Howard Griggs, in a brilliant lecture, "Lights and Shadows of the Present Age," delivered at Illinois Woman's college last evening under the auspices of the Jacksonville Woman's club. Dr. Griggs was for ten years professor of Ethics and Education at Leland Stanford university and since giving up his chair in the California university, has become a lecturer and author of note. His address last evening displayed a strength and breadth of thought and insight rarely heard on the American lecture platform.

Preceding the lecture Mrs. Hackett Wilder sang a group of songs accompanied by Mrs. G. E. Stiekeny. Mrs. Wilder took as her selections, "One Fine Day," by Dvorak. The meeting last evening was arranged by the educational committee of the Woman's club of which Miss Mary Anderson is the chairman. Other members of this committee include Mrs. L. S. Doane, Miss Isabel Smith, Mrs. E. W. Bassett, Miss Jeanette Powell and Mrs. R. Shoemaker.

Dr. Griggs in his address gave a diagnosis of what he termed the "difficult, menacing and deeply interesting time in which we live." Everyone realizes the great confusion and difficulty which has reigned in the world during the period of the great war and both the menace and promise of this period are equally great. "The past is sifted by the lapse of time and only those things which serve the onward movement of life really last. In looking back over the ages we can see the creative tendencies which characterized the different periods of the world's history. Men find that it is most difficult to understand the age in which they themselves live.

"We have lived thru the most devastating war in the history of the world and this was a colossal illustration of the mobilizing of the resources of modern economic forces. The America came out of the war suffering comparatively little in a material way, she shared in its spiritual awakening more deeply than any other nation. America has awakened to a new spirit of patriotism, to a new sense of moral leadership which she has been called to fill among the nations of the earth."

The speaker then emphasized the characteristics which the war has brought out in the life and thought of the American people. A new kind of thinking, involving the consideration of all people, as opposed to the selfish, group thought of former days was developed. The conscious virtue of thrift, which has not characterized our people before, became apparent. The outlook in America today, however, is filled with the realization of a menacing dropping back to pre-war standards. The fundamental qualities of human character outlast the crisis which calls them out and human life has a great power of recovery after a deep sorrow or tragedy.

"This is the age of machinery and the vices and virtues of the present day spring from this fact, the dominant characteristic of the age. If we come thru this present industrial struggle, which involves a situation of armed truce between capital and labor, and come thru it peaceably, we must bring back the joy of creative work which artisans felt before the industrial revolution. If we can apply the use of machinery in the interest of the people of the whole people, it can be made a great instrument for advancement.

America Movie Mad.  
In speaking of the characterization of the present day America Dr. Griggs brought out the fact that the country is "movie mad." Moving pictures in twenty years, have sprung from nothing to one of the five leading industries of the land. They are commercial-

ized to the last degree, inhibiting concentrated thinking, appealing to the sense and feeding the imagination. They, however, can be instruments for tremendous good if used aright.

The songs, jazz music and dancing of the present day came in for their share of criticism at the hands of the speaker but in these also he pointed out the lights, as seen in the community singing which can be used as an instrument of sound Americanization and patriotism. The pleasure automobile, instilling into its owner the blind speed mania, extravagance and law breaking, may also be an instrument for bringing city and country together and accomplishing other beneficial ends.

"The repose of the spirit has practically gone out of American life," said Dr. Griggs. "But human nature is sound at heart and we'll come thru this difficult period safely. The human hunger for self direction, determination, equality, brotherhood, justice and opportunity must be answered. If a way out is found America must lead the way. We issued from the war, the greatest nation on earth."

We must resume our moral leadership of the world which for two years has lapsed. Americans are materialists on the surface but are deeply idealists at heart. That deep latent idealism in the American people will triumph light will conquer the darkness and democracy will in the end prevail not only within our nation but in the end, in all the nations of mankind."

**PRENTICE SCHOOL RESUMES SESSIONS**

Mention has already been made of the fire which totally destroyed the school house at Prentice. Roy Casson was the first person to reach the scene and he and Miss Ruth Sentney, the teacher, and two or three of the older pupils succeeded in carrying out all the equipment and furnishings with the exception of the seats, which were screwed to the floor. Miss Sentney and Mr. Casson worked until a few minutes before the roof fell.

The forty pupils of the school deserve especial credit for the calm and orderly manner in which they left the burning building under the direction of their teacher, gathering arms full of wraps as they passed out.

School was resumed Wednesday in the Prentice church building which was kindly loaned to the little folks by the church board. The Prentice school building was one of the best in the community and while its loss is to be regretted, it is fortunate that no one was injured.

The directors of the district are Roy Casson, J. H. Hubbs and Henry Isaacs.

## WAVERLY CAMPAIGN IS BROUGHT TO CLOSE

Miss Florence Scott, of Waverly, is recipient of Ford Touring Car at Close of Successful Business Campaign.

The business campaign which has been conducted for a number of weeks past under the auspices of the Waverly Commercial club came to a successful close last night, and the Ford touring car was received by Miss Florence Scott of Waverly. The fact that Miss Scott was present last night also made her the recipient of the \$10 cash prize.

A great deal of interest attached to the campaign and on the closing day Waverly was

provided to the limit by people from various localities.

Two dances were given at the Rodgers garage Thursday evening, Browns Serenaders of Jacksonville furnishing music for the round dance and Sims' orchestra of Modesto playing for the square dance. A large number of people enjoyed the splendid programs furnished during the evening and in every way the final hours of the campaign were made enjoyable for the visitors.

## THE DAY'S EVENTS IN WASHINGTON

President Harding, still confined to his room with an attack of grippe, was reported much improved.

American merchandise exports during 1922 were valued by the commerce department at \$3,831,315,355 compared with \$4,485,031,355 in 1921 and \$2,484,018,292 in 1920.

Italy, it became known here, believing the Ruhr situation to be fraught with danger, has urged France to consider carefully the advisability of taking any further steps to forcibly collect German reparations.

Compared with 1921 totals, gold imports during 1922 decreased \$1,678,512, the commerce department announcing increases, however, of \$1,983,517 in gold exports, \$7,563,382 in silver imports and \$11,231,37 in silver exports. After announcing that future negotiations regarding funding of Great Britain's war debt to the United States would be conducted thru the British embassy, the British debt commission left for New York preparatory to sailing for home Saturday.

The department of labor reported that the general level of wholesale prices in December while practically the same as in November, represented a 1.2 per cent increase over the December, 1921, average, farm products leading with 20.4 per cent.

Harry F. Sinclair, testifying at the senate oil investigation, denied the right of the committee to demand complete records of one of his companies, the Ilyva corporation, a private investment concern and the committee issued subpoenas for them. Previously he had testified that Teapot Dome lease imposed obligations of \$30,000,000 on him.

MADE YESTERDAY

FOR FINAL VOTE

Will Be Taken Today for Passage of Capper Bill

(By The Associated Press)

WASHINGTON, Jan. 18.—Arrangements for a final vote tomorrow on the Capper bill, the first of the farm credits measures to be taken up were made by the senate late today after another day of general discussion. In view of the delay on the bill which was scheduled to pass last Monday, leaders today obtained unanimous consent to close the debate tomorrow at 2 o'clock and a vote expected to be almost if not entirely unanimous is due to follow.

All attempts to amend the bill were resisted successfully today. The senate rejected 46 to 21, a rider by Senator Dial, Democrat, South Carolina, designed to amend the cotton futures trading law and, by a vote of 46 to 21, an amendment by Senator Fletcher, Democrat, Florida, proposing private management of farm land banks when federal capital is in a minority.

The Fletcher amendment led to prolonged debate in which senators disputed the measure of federal support behind the farm land banks because of government appointment of directors to their management, in accordance with the law.

Another amendment rejected was by Senator Simmons, Democrat, North Carolina, proposing that loans be made to farmers on chattel mortgages by the co-operative credit associations provided in the bill. This was opposed as a "pawn broking" amendment. Chairman McLean of the banking committee declaring it would enable borrowers to obtain loans by giving chattel mortgages on "watches, overcoats or furniture."

Amendment Is Test.

Senator Simmons replied that the security would be subject to acceptance under regulations of the farm loan board and would be safe for chattel loans. He added that his amendment was offered as a "test" of the real benefit proposed for farmer borrowers under the bill which he reiterated would not be of the great value generally to small agriculturists.

Senator McLean said the bill did not propose to establish new banks but loan associations and farmers could get chattel loans from other sources.

Senator Trammell, Democrat, Florida, offered an amendment providing for loans by the proposed associations upon farm real estate up to fifty per cent of its value. He said that farmers could not get necessary credit solely upon their crops. His amendment was opposed by Chairman McLean and Senator Glass, Democrat, Virginia, who said that thru the farm land banks the farmer had a medium for obtaining loans upon land mortgages. Senator Jones, Democrat, New Mexico, supporting the Trammell amendment declared farmers should not

MOTION PICTURE

DIRECTOR IS HELD

ON MURDER CHARGE

Suspected of Being Responsible for Death of Fritzie Mann

(By The Associated Press)

LOS ANGELES, Cal., Jan. 18.—Roger V. B. Clark, motion picture director, talked freely with newspapermen and willingly posed for photographers as he waited in jail here for the arrival of San Diego officers to take him to that city on suspicion of murder in connection with the death of Fritzie Mann, whose almost nude body was found on the beach near Torrey Pines last Monday.

Clark who admits that he was a former friend of the dead dancer, was arrested today at the request of San Diego police. Bloodstains found on the cushions and floor of his automobile and removal of one number from the license plate resulted in his arrest. Detectives assigned to the case here made a thoro search of Clark's room in a fashionable hotel shortly after he was arrested but failed to find any letters or pictures of Miss Mann. The hotel records showed that on November 4, 1922, he made a deposit on a room and became a guest on December 8. He left the hotel on January 12 but again engaged the room on January 15. One large trunk found in his room bore the initials "W. G. R." while a smaller one was inscribed "M. E. E." Two hotel keys for rooms in San Diego were found in his effects.

D. O. K. K. TEAM TO HAVE NEW UNIFORMS

New uniforms have been ordered by the D. O. K. K., basketball team and it is expected that the new togs will be received in time to be worn at the next game which is scheduled for Tuesday, Jan. 30.

The uniforms are to be of rich purple with gold trimmings. The jerseys will be ornamental with a tiger head in gold on the front and in the back will appear a good numeral. The trousers will be of purple with gold trimmings on the sides and at the knee. A purple and gold fez will go with each uniform and the players will wear solid purple socks.

be required to approach two different organizations to get needed credit.

JACKSONVILLE TO MEET ATHENS HIGH

Strong Opponent Faces Red and White Team Tonight—Trimmed Springfield on Her Own Floor.

Coach Mitchell's High school squad faces a tough proposition tonight when it meets Athens High five at David Prince floor.

The visitors have one of the strongest quintets in this section of the state. It is a team made up of veterans, a majority of the men now playing their fourth year.

Only one game lost is the record of the Athens team and among its victories is one over Springfield played on the Springfield floor. Jacksonville also has a victory to her credit over Springfield.

Last year Jacksonville played Athens in that town and the score was 23 to 21 in favor of the local tossers. Athens will fight hard to wipe out the stain of that defeat tonight while Jacksonville will work just as hard to make it two in a row.

Coach Mitchell has been giving his men strenuous work the past few days and the squad is showing much better work in passing the ball. If the men now get their eye on the basket it is going to take a mighty good team to beat them.

To start the game tonight Mitchell probably will use Hunter Dea'herage, forwards; Putnam, center; Hunt and Hopper guards. Coach W. T. Harmon of Illinois College will referee.

ROUT HIGH PLAYS VIRGINIA TONIGHT

Local Tossers Meet Old Time Enemies in Liberty Hall—Game Starts at 8 O'clock.

Route High will meet Virginia High in Liberty Hall tonight. The game will start at 8 o'clock instead of 8:30 as previously announced.

The teams are old time rivals, when they meet it is always a hot contest. The game tonight promises to be no exception to the rule.

Coach Coenen has been drilling his squad hard for the past few days and the men will be in the pink of condition for the contest. Virginia also is said to be in good condition. In addition to this the Cass county aggregation always plays its best against the Route boys.

KNOX AND LOMBARD TO MEET FOR TITLE

Galesburg, Ill., Jan. 18.—The first game involving the city basketball title will be played here tomorrow night when Knox and Lombard clash. Both teams have been playing stellar basketball. Knox having recently returned from an invasion of the East while Lombard last week held the Marquette team to a close score.

CURTIN BOUT WITH TREMAINE IS OFF

New York, Jan. 18.—"Irish Johnny" Curtin, Jersey City boxer, is suffering from boils and will not meet Carl Tremaine, of Cleveland, in the bout of 12-rounds proposed as a semi-final to the Tender-Moran fight at Madison Square Garden tomorrow night.

ILLINOIS COLLEGE DEFEATED DRURY 31-30

Game One of Fastest Ever Seen on Local Floor—Visitors Nearly Tie in Closing Minutes of Play.

In one of the fastest and most exciting games ever seen in David Prince gym Illinois College defeated Drury College of Springfield, Mo., Thursday night by a score of 31 to 30.

Drury had played four games up to last night and had won all of them. All were hard battles and the visitors showed that they thrive on hard contests. Up to last night the Drury team had defeated St. Louis U. 23 to 17; Rolla School of Mines 22 to 21; Culver-Stockton 26 to 25. The team also won from Kirksville Normal.

The visitors displayed one of the best passing teams that has been seen here in many months. When a Drury man got hold of the ball it was almost impossible to prevent some player from getting a shot. It is true that many of them were long shots but many of the long ones counted.

Staples was especially dangerous and it was his work that had Illinois close to a defeat in the last few minutes of play. Blockenberger, Young, Harold, Mathews gave him able assistance.

For Illinois Mellon and Hlatt were going right and between them chalked up 23 points. Dale closely followed with eight points. These three players carried the Blue and White offense and some timely baskets in the fourth quarter put Illinois into a comfortable lead.

The game was lightning fast thruout and the spectators cheered themselves hoarse urging Illinois on to victory. In the fourth quarter Illinois had a lead of five points but Drury kept fighting hard and pulled up to within one point of tying the score. Jack Roberts and Butler at the guard positions fought as they never fought before. Their work was cut out for them too as it was a problem to keep the Drury forwards away from the basket.

Illinois used some good head-work in the last few minutes play when Drury was closing the gap rapidly. The Illinois forwards got hold of the ball and passed it back and forth waiting for time. This caused Coach Pritchard to throw a fit and after the game he let out a big roar, saying that such work would not be countenanced in the Missouri conference.

Referee Millard called Pritchard's attention to the rules which do not put any limit on the length of time a player can hold the ball so long as he commits no foul and the Missouri coach calmed down. The score:

Muelheim, Jan. 18.—(By the Associated Press).—It is learned that Fritz Thyssen failed to appear before the military court in Duesseldorf, where he had been summoned today because he had no interest in it.

The occupation authorities ordered the lord mayor of Muelheim to see Thyssen appeared. The mayor communicated the order to Thyssen, who declined to attend the court, adding that he was not interested.

Why Pearls are Rare and Costly

It has been long believed that pearls are costly because rare when the real facts are that the scarcity is in a sense artificial—the result of the greed of man and the wasteful process of nature.

In the process of generation the pearl oyster is prolific, the egg product of a single oyster running into millions—the more pearl oysters the more pearls produced.

When, as in Ceylon, the government allows oyster fishing the natives rush in and mercilessly denude the beds, destroying more than are taken, and it must be remembered that the oyster takes a series of years to mature which means, as now operated that genuine pearls are and will continue "A Rare and Costly Gem."

Next week we will tell you something of the natural enemies of the pearl oyster which causes death and destruction over wide areas.

# Social Events

**Mrs. Virgil Edwards Entertains Card Club.**  
Mrs. Virgil Edwards, 402 South Diamond street, entertained her card club Thursday afternoon in honor of Mrs. Reaugh Jennings, whose birthday occurred that day. Those present were Mrs. H. A. McLaughlin, Mrs. A. R. Taylor, Mrs. Mervin Ator, Mrs. Arthur Ellis, Mrs. Ralph Hutchinson, Mrs. P. G. Stein, Mrs. Bert Kiliam and Mrs. George Brown. First prize was won by Mrs. George Brown, second prize by Mrs. Arthur Ellis, and the consolation prize by Mrs. Mervin Ator. A very delicious luncheon was served by the hostess.

**Engagement Announced at I. W. C. Senior Party.**  
The seniors of Illinois Woman's college enjoyed a table party last evening at the social rooms of the college. During the evening a telegram announced the engagement of Miss Mary Hall, first of her class to receive such an announcement, to C. C. Nordin, student of Boston university. Guests of honor also included Miss Ruby Neville, class advisor, and Miss Helen Massey and Dorothy Mae Smith, seniors who complete their work at the end of the semester. Miss Neville's birthday was a fortunate coincidence for the party date.  
Blue and yellow candles, sweet peas and roses were the decorations. A four course dinner was served.

**Ladies' Aid of Brooklyn Church Met.**  
The Ladies' Aid society of Brooklyn church met Thursday afternoon with Mrs. Eva Scholfield, Mrs. Charles Redding, Mrs. J. W. Wright and Mrs. Lee Wiegand were assistant hostesses. The business meeting was carried out as usual. Following this the following program was given: Song by the society, reading, Mrs. Charles Shepard, piano solo, Mrs. D. B. Gaskins. The guests of the society at this meeting were Mrs. Robert Scott of California, and her little daughter, Mrs. Scott was formerly Miss Ethel Reeve of this city. The program closed with a benediction.

**Club Will Meet Tonight.**  
The Business and Professional Women's club will meet this evening at the Pilgrim Memorial building. Miss Stella Council and Mrs. Amy Darnley of Passavant hospital will act as hostesses for the evening. The regular business session will be held and the rest of the time will be devoted to cards and other entertainment. During the evening the hostesses will pass light refreshments.

**Girls' Reserve Gives Supper.**  
The members of the Girls' Reserve had a supper party last evening at the Pilgrim Memorial. There are about twenty girls in the organization which was formed for the purpose of doing social service work under the direction of the Y. C. A. at Illinois college. The girls recently had a candy sale and market and the supper was given with the proceeds of this enterprise. After

supper there was a business meeting and plans were made for work. Miss Mary Janette Capps is in charge of the social service department of the Y. W. and is at the head of this group of girls. She is assisted by Miss Mabel Rogers.

**Luther Walter Circle Met.**  
The Luther Walter Circle of the Salem Lutheran church was entertained last evening by Ernest Thies at his home southwest of the city. There are about thirty young people in this society and they meet regularly for a social evening. The hours last night were pleasantly spent with games and music and during the evening excellent refreshments were served.

**Entertain at Supper Party.**  
Mr. and Mrs. A. T. Capps entertained a number of Illinois college students at an informal supper party last evening at their home on North Church street. The guests included a number of young people who are relatives of Mr. Capps and who are attending the college this year. An attractive supper menu was served at six o'clock and the evening hours were pleasantly spent in a social way.

**Gives Bridge for Mrs. Phillips.**  
Mrs. W. W. Gillham of 930 West State street was the hostess at a delightful bridge party given at her home yesterday afternoon in honor of Mrs. Wood Phillips. A number of tables were made up for cards and the hours were pleasantly spent in playing. At the close of the afternoon an attractive luncheon was served.

## Church Organizations

**Ladies' Aid of Ebenezer Met.**  
The Ladies' Aid society of Ebenezer church met Thursday afternoon with Mrs. Emma Cully with Mrs. E. G. Dewese as assistant hostess. There was a good attendance of members and at the business session it was voted to hold a social session on Friday, January 20. The following program was then given: Vocal solo, Mrs. Sarah Bridgeman; recitation, Miss Edna Bracewell; piano solo, Miss Ruby Dewese. A social hour then followed and refreshments were served.

**TWO KILLED BY BANDITS IN HOLDUP.**  
St. Louis, Jan. 18.—Julius Scholick, meat market proprietor and his son Julius, Jr., died of wounds received tonight when they resisted attempts by two young bandits to rob them. The bandits escaped.

**RELEASE SUSPECT IN FLOGGING CASE.**  
Houston, Texas, Jan. 18.—Detained since Tuesday in connection with the Harrison-Armand flogging investigation, Claude Buckley, Goose Creek youth, was exonerated today by the Harris county grand jury. A "no" bill was handed Judge Robinson by Foreman Henry M. Curtin.

**TRADE OFFICES.**  
Dr. R. V. Brokaw, Morgan county health officer, has traded offices with W. H. Cobb, water superintendent, at City Hall. Mr. Cobb is in the west office, second floor, and the health office is east of the stairs. Dr. Brokaw's private office is unchanged in location.

J. P. Woods and son made a trip to the city yesterday from Franklin.

## EXHIBIT OF ORIENTAL PICTURES OPENS SOON

Exhibit to be Shown at Dr. David Strawn Home for Nine Days Beginning Saturday.

Two distinct exhibits of oriental pictures are included in the art exhibit for Jacksonville's annual art week at the Strawn Art House. The home will be open free to the public Saturday, showing every afternoon and every evening except Sunday evenings until Sunday, January 28, a total of nine days.

One collection is a series of sixty-seven vivid water colors done with startling differing techniques and with surprisingly uniform interest and skill. This group is by Gertrude Hadenfeldt. The other collection is of mild tints, being a series of block prints of decorative style done by Helen Hyde of San Francisco, representing chiefly the child life of Japan. Lovers of children will find much of serious and humorous interest in these little masterpieces of design.

## MANY WITNESSES IN LAND FRAUD CASE

CHICAGO, Jan. 18.—One hundred witnesses, including bankers, farmers and lawyers, have been summoned to appear before Federal Judge W. C. Lindley next Monday to testify in an alleged \$6,000,000 land fraud case against Daniel Hayes, president of the Daniel Hayes company of Idaho and seventeen co-defendants. Federal authorities announced today that Hayes and the other defendants are under indictment for conspiracy to use the mails to defraud. Judge Lindley will come here from Danville, Ill., to preside and Robert A. Milroy and Edwin L. Weiss, assistant United States district attorneys, will prosecute the case which is expected to last six weeks.

According to the indictment the defendants are charged with committing about 1,000 offenses against the federal law.

## WANT TO CREATE ANOTHER NEW JOB

SPRINGFIELD, Ill.—(By The A. P.)—Appointment of the state attorney of trade and commerce as attorney to accept service of life insurance companies to prevent them from escaping process, is recommended by Superintendent T. J. Houston, to the general assembly.

"The need for such legislation was shown recently," Mr. Houston said, "in the case of a company which had withdrawn from the state, appointing an individual to accept service."

This individual died and a policy holder was unable to obtain service on the company.

A law prohibiting the sale of a large block of capital stock of an insurance company to some individual or syndicate for resale on conditions other than that set out in the stock subscription blank should be passed, Mr. Houston said.

"A transaction such as this amounts to giving an option on the stock without the supposed subscriber having any responsibility for the payment to the corporation for his subscription," said Mr. Houston.

## ELGIN TO HAVE EIGHT STORY BUILDING

Elgin, Ill.—An eight story building to cost approximately \$500,000 is to be erected here by a syndicate of capitalists. The site of the building is to be a section known as the Town block, which has been purchased for \$150,000 by stockholders of the Union National Bank, according to A. L. Metzger, cashier of the bank. The building will contain a hotel in addition to business stores.

## "Let's Not Buy Another Thing Till We Put the Fences Right"

THE far-sighted farmer will say that when temptations arise to let the ready money go for some luxury. The luxury is an expense; the good fence is an investment—a producer. A farmer is losing money fast until he has his farm fenced off into a sufficient number of fields to permit of the proper rotation of crops and the most advantageous pasturing of stock.

The fields of a farm are like the rooms in a hotel—the more rooms or fields, the more revenue.

FAVORITE LODGE STARTS AUTO RACE

Six Teams Have Started on Journey to Portland, Oregon—Must Finish Trip by Last Meeting in May—Two Candidates Given Rank of Page.

The members of Favorite lodge 376 have adopted a novel scheme to create interest and promote the growth of the lodge.

A large banner has been stretched across the east wall of the lodge room. On this is painted a transcontinental roadway, drawn to a scale of five miles to the inch. This represents the distance from Jacksonville to Portland, at which point will be held the big D. O. K. K. national ceremonial and drills to which it is hoped to send the local drill team next August. Eating stations have been marked on the map at Kansas City, Denver, Salt Lake and Portland.

Committee have been appointed and each given the name of a well known make of automobile. The committees, headed by a chairman, supposedly will drive their cars to Portland.

As the plan is to be worked out the securing of one membership to the lodge will give the committee obtaining it the right to move his car a distance of seventy-five miles toward the goal.

Each member of the committee present at the meetings adds five miles to the distance gained. At each of the eating stations the winning committee at that point will be fed at the expense of the losers. Upon arrival at Portland the same plan will be carried out.

Each committee must make an average of 112 miles per meeting night in order to cover the distance between Jacksonville and Portland, and this must be done by the last meeting night in May when the regular initiation work for the season closes.

The cars and their drivers, who are the chairmen of the committees, are as follows:

- Charles Wallihan, the Hudson.
- L. B. Turner, the Moon.
- Dr. Allen M. King, the Ford.
- L. F. Jordan, the Paige.
- Jewell E. Scott, the Packard.
- Harry Sanderlin, the Chevrolet.

The cars are cut out of cardboard, painted and fastened to the trail. As memberships are obtained they will be advanced along the trail. At last night's meeting one application was

ANNUAL MEETING OF PASSAVANT TRUSTEES

Was Held at H. S. Hall Thursday Evening—Reports of Officers Given and Officers Elected.

The annual meeting of the board of trustees of Passavant hospital was held Thursday evening, with a good attendance of members. The president, A. A. Curry, was in the chair. All reports showed the hospital to be in flourishing condition. The blue prints of the projected isolation ward of the hospital were on exhibition. It is estimated that the new building will cost \$17,000. The trustees got behind the movement to raise the money and erect the building and instructed the executive committee to proceed with the project.

Dr. R. V. Brokaw, county health officer, made a brief explanation of the value of an isolation ward here. He stated that such an institution cut down the number of cases of communicable diseases thru isolation of the patients and added the homes in an economic way by lifting the burden of quarantine. He estimated that a community of this size would need a hospital of 16 to 25 beds to take care of the contagious diseases in the city and county.

Treasurer F. E. Farrell reported to the board a balance in the general fund of \$4,317.52, an increase of about \$77 over that of last year. In the free bed fund there is a balance of \$77.30, and in the laundry fund a balance of \$387.14. The hospital has \$17,349.76 invested in real estate securities. There was paid into the general fund in 1922 \$56,332.21, and expended \$55,541.13. The total amount now in the isolation ward fund is \$449.57.

Miss Vanner, the superintendent of the hospital, reported a total of 1,333 patients cared for during the year, to whom were devoted 16,816 days of nursing service. The per capita cost of caring for each patient for one day was \$3.29. Dr. H. C. Woltman, dean of the nurses training school, reported a total of fourteen student nurses. He made a plea for some sort of affiliation with the various colleges, schools and state institutions of the city, in order that the nurses in training might have the advantage of special courses. Following the reading of the various reports, the election of officers was held with the following results:

- President—A. A. Curry.
- Vice president—T. J. Rodgers.
- Secretary—J. G. Ames.
- Treasurer—Felix T. Farrell.
- Members executive committee—Drs. A. L. Adams and H. C. Woltman.

Medical member board of trustees—Dr. A. L. Adams.

Ministerial trustee for three years—Rev. W. H. Marbach.

The report of the Passavant Hospital Aid society of Central Christian church was read by Mrs. E. W. Brown. It showed a large amount of work done and over \$700 raised by the society for the isolation ward. The report of the Hospital Aid society showed a busy year, and the list of donations from the churches included hundreds of quarts of fruit, vegetables, jellies and jams; also scores of other items of food, surgical dressings, linen equipment, etc., and \$102 in money collected from the churches.

Miss Ada Langley, superintendent of nurses, reported good work in the training school and all courses being given according to schedule. She made a plea for more student nurses, as the number is not sufficient to supply the hospital needs and to meet the demands of the community. During the past year, 25 application blanks were sent out to inquirers, and only five applications were received. These five students were accepted and are now in training.

Three were graduated from the school last June.

STATEMENT OF SENATOR EARL B. SEARCY

"Friends of mine in Jacksonville may have reached the conclusion that I have been slow about getting over, since election, and letting them know in person that I appreciate more than they will ever know the county's loyal support in the last campaign. When a fellow is engaged in a business that demands every hour of his time, however, he finds himself handicapped when it comes to getting away from that business. Such has been my situation.

"The fifty-third general assembly is organized and doing business. As a member of the senate from this district, one of my first honors came in my appointment as a member of the senate appropriations committee. Not only as an interested citizen of the district, but as a member of the committee, I wanted to be familiar with the needs of the three insularities in Jacksonville, so I came over today to find them out. I want to be in a position to fight intelligently for financial help when appropriation bills come up to us of the senate committee for consideration. I have spent over half a day getting facts and figures, and it has been a most interesting as well as enlightening visit.

"Already, I have asked the co-operation of the Morgan county commissioners relative to this county's quota of new hard roads under the proposed \$100,000,000 road bond issue which Governor Small is going to support. I feel that although there has been much talk and a great deal of campaign capital during the last year or two, Morgan county, when it is all said and done, has fallen short of her deserved road estate, taking population and location into consideration. Sangamon county, because of her central location, automatically come in for a number of routes. With Morgan, there is not such a heavy advantage. That is why I feel that we cannot start too early in this matter. I would appreciate it if I could have the cooperation of all county officials, civic and other clubs if it turns out that we shall have to exert pressure in order to insure to Morgan county a good roads square deal. As this proposed piece of legislation progresses, I will do my utmost to keep the press of the county and officials advised, so that we may act in unison. What I am concerned in is results.

"I believe this session of the legislature will reveal more of a genuine business spirit than that of two years ago. Already the house has changed the appropriations rules with the view of preventing eleventh hour cramming of unauthorized thousands of dollars worth of jobs and other matters into the omnibus bill. I shall support that change of rules most vigorously when the matter comes to us in the senate next week or the week following. What tax payers of the state want of us as legislators this year is bona fide results along the lines of road and not fake economy. I made my last campaign largely on this platform, and I am ready to go any length to help carry out that policy.

"I think that not later than next week, or possibly the week after, both senate and house committees will be ready in full. Then we will get down to business. The wish of members, so far as I can learn, is to pass only such legislation as will be necessary, and to stay on the job as continually as possible until the work of this session is completed."

PEAK HIGHWAY IS PROMISED PAVING

Representatives of Association Met With Governor Small—Elected Officers and Delegates—Scott County to Have Separate Representation.

Ocean to Ocean trail association representatives in Illinois feel that they have accomplished much toward the paving of the trail thru the state thru a conference held with Governor Small in Springfield at 10 o'clock yesterday. It is hoped by members of the association that the governor can see his way clear, as he gave assurance of consideration, to make the next contracts for hard roads include one for the Pikes Peak highway stretch from Decatur east to the state line.

At 1 o'clock Thursday afternoon the delegates met at the St. Nicholas hotel, electing A. M. Kennedy of Decatur vice president of the Illinois division, and C. E. Jenks of Springfield secretary.

Morgan men who were elected as state delegates included Charles M. Strawn of Alexander, Frank Heim of Jacksonville, Harry E. Kitcher of Jacksonville. County officers were elected as follows: T. M. Tomlinson of Jacksonville, county chairman; E. J. Kumble of Alexander, M. A. Hewitt of Jacksonville, and Joe Wilson of Jacksonville. T. M. Tomlinson was elected as Morgan county delegate to the national convention.

Resolutions were passed, one complimenting Governor Small and the highway department on the road work they are doing, and one of respect upon the announcement of the death of George Hughes of Hume, a consistent and active working member of the Ocean to Ocean association. It was decided to give Scott county and Pike county independent

AWARD RAPID CALCULATION CUP

George E. Stickney Presents Cup Won By College—Received By Miss Virginia Cumming.

A very pleasant time was enjoyed at Brown's Business college Thursday afternoon. It was the occasion of awarding to the students of the local school the Contest Cup for victory in the January contest in rapid calculation; also the awarding of nineteen certificates of honorable mention for excellence of work done during the month of December. The cup was awarded by Rev. George Stickney to Miss Virginia Cumming who represented the students. The college is entitled to hold the cup one month, or until it is won by another of Mr. Read's chain of schools.

Mr. Stickney addressed the students on "The Three Essentials of Success." The first essential mentioned was growth. He said, "If you have within you the desire to grow, you will find yourselves working toward the top; otherwise others will grow and you will go down."

The second essential mentioned was Decision. You possibly do not realize what this quality means to you. History is full of examples of decision. When the Gauls came down into Italy, and the Romans had lost heart and had sent out a delegation to agree upon terms of surrender, they decided to ransom the city for a certain amount of gold. There was one in the delegation who decided he would not do it. He drew his sword and said, "This is the price of Rome; you must conquer her." The Romans defeated the Gauls and were saved. There are many other instances of like nature. Nelson nailed the flag to the staff and said, "I am going to stay there even if the ship goes down."

The third essential is Faith. You must not only have the ability to grow and cultivate decision of character, but you must also have faith in yourself. Napoleon saw in a great battle that his men were going to give way, and he called to the little drummer boy and told him to beat a retreat. The boy replied, "I have never learned to beat a retreat, but I can beat a charge that will make these men go forward with renewed vigor." Napoleon told him to beat the charge. As the soldiers heard it they went back inspired by this call from their leader and won the victory.

Moral Force Greatest.

Not only must one have confidence in himself and in others, but there is also a great moral force to make use of. The picture of Washington at Valley Forge is an inspiring one. His men didn't have the proper food, while the British army had all they wanted. His men were discouraged. Washington had a moral force behind him. He sought the aid of the Great God, Lincoln, too, had a moral force behind him. He went night after night walking on the lawn of the White House praying to God that He would give him leader ship and guidance. When the Germans were on their last great drive, they tell us that Marshal Foch was to be found every morning in the little chapel back of his headquarters in prayer. So one must have not only growth, decision and faith, but also the moral force—faith in God.

The following students received Honorable Mention: Margaret Butler, Woodson; Elizabeth Cunningham, Woodson; Ralph Gilham, Winchester; Lulu Hubbard, Carrollton; Letitia Lynn, Virginia; Lucille Ryle, Roodhouse; Merle Smedley, Wayler; Hazel Tucker, Kane; Lucille Wilson, Roodhouse; Eva Ramsey, Murrayville; Josephine Hines, Decatur; Louise Tankersley, White Hall; Ned Hoover, Milton; Mabel Phillips, Jacksonville; Helen Clark, Jacksonville; Amy Scott, Jacksonville; Frank McCarthy, Jacksonville; Camille Donovan, Jacksonville; Cecilie Maloney, Jacksonville.

WILL PIPE NATURAL GAS INTO THE CITY

P. C. Irving, who is interested in the gas field east of the city has gone to Kansas where he will make arrangements to run a pipeline into Jacksonville for the distribution of the natural gas which has been discovered in large quantities on several farms east of the city.

There are now four wells completed and another in the process of drilling. It is believed that the present flow would be of great value to Jacksonville and it would amount to several millions of cubic feet per day.

SUNDAY SCHOOL TEACHERS MET

The Mt. Emory Baptist Sunday school teachers held their regular monthly meeting at the home of Mr. and Mrs. Warren Bryant Tuesday evening. After a short program the teachers board was organized and the following officers were elected: President, Rev. W. H. Snowden; vice president, Edith Moore; secretary, Miss Grace Moore.

Following the election of officers the hostess served refreshments. The next meeting will be held with Rev. Snowden and a paper "An Ideal Teacher," will be read by Miss Reon Hamilton.

Miss Dorothea Tendick was a Thursday shopper in Jacksonville from Murrayville.

Mrs. Walter Hyde and niece were listed among Thursday shoppers in the city from Mercedosa. ent representation on the board, the two having been represented jointly in the past.

MOST OF HIGH SCHOOL PUPILS HAVE RECESS

Only those pupils who had conflicts in their semester examinations are attending school today, the major portion of the examinations having been completed Wednesday and Thursday. The teachers will have until Monday to complete the grade cards.

Principal Kaiser returned Thursday to the High school after several days' illness.

CHAPIN

Miss Kathryn Littig was hostess to a party of young friends Wednesday night at the home of Miss Amy Onken. There were sixteen guests present and the evening was spent with games and music. Delicious refreshments were served by the hostess.

Mrs. Gustav Onken and Mrs. Andrew Allen spent Wednesday in Versailles guests of Mr. and Mrs. E. H. Allen.

Mrs. Della Knopp who has been visiting her sister, Mrs. P. H. Ham for the past month left Thursday night for her home in New London, Iowa.

The contest between the M. P. church Sunday school at Concord and the M. P. Sunday school here closes next Sunday. The ten weeks' contest has been very interesting and beneficial to both schools and results are very close and with but one more Sunday to count it is impossible to say which school will win.

Word has been received here of the illness of Mrs. Sarah Heiser who is at the home of her daughter in Bluffs.

WITH THE SICK

Mrs. Irene Shoppard, 235 North East street, still remains quite ill.

Mrs. Ed Tindall of the Arnold neighborhood entered Our Savior's hospital yesterday for rest and treatment.

Mrs. Charles Davis of Alexander is very critically ill at Our Savior's hospital. Her condition is due to an injury to the eye caused when she ran into a door.

REBEKAH DEGREE CONFERRED ON FIVE

Carl as Rebekah Lodge No. 1, I. O. O. F., held its regular meeting Thursday evening with a goodly number in attendance.

The degree work was conferred upon five candidates, namely: Marshall Miller, Mrs. Edith M. Herr, Mrs. Catherine Esmond, Harry Hutches and Robert March. The degree staff is under the direction of John A. McGlothlin, the work was conferred in such manner as to reflect great credit not only upon the captain but upon each member of the degree staff. Mrs. Anna Baldwin acted as Noble Grand; Mrs. Sadie Henderson as Vice Grand; Mrs. Lynn Crabtree as Chaplain, and Mrs. Emma McGlothlin as Past Grand. One of the features of the evening was the beautiful and appropriate music furnished by Mrs. Abbie Spillman. A special drill was put on a special drill with Mrs. Myrtle Tandy as flag bearer.

The social hour was in charge of the new officers of the lodge and dainty refreshments were served.

Mrs. Bessie Tayman is Noble Grand of the lodge and Mrs. Del Balesley is Vice Grand, and a starting their terms with a vim and enthusiasm which gives promise of greatly increasing the membership and attendance of the lodge.

## KIWANIS ARE TOLD ABOUT SALVATION ARMY

Club Members Listen to Interest-  
ing Address by Salvation Army  
Representative at Thursday  
Luncheon.

The Kiwanis club held the reg-  
ular weekly luncheon Thursday  
at the Peacock Inn. The prin-  
cipal speakers of the day was Mrs.  
Lieutenant Colonel Dunham of  
St. Louis, who gave an interesting  
story of the work of the Salva-  
tion Army.

Special interest was added to  
the occasion by a musical pro-  
gram furnished by Warel  
Brown's orchestra. The musicians  
composing this orchestra are:  
Warfield Brown, piano; Edward  
Tomlinson, mandolin; Dick Hyer,  
banjo; and Wilbur Jeffries, saxo-  
phone. These young musicians  
gave a program which was well  
worth hearing and which was  
greatly appreciated by the club  
members.

President Cole Y. Rowe men-  
tioned the fact that the death of  
John M. Butler during the pres-  
ent week removes from the club's  
ranks one of the most loyal and  
enthusiastic members. Mr. Rowe  
then appointed a committee to  
draft resolutions regarding Mr.  
Butler's death, this committee in-  
cluding Carl E. Robinson, W. W.  
Wright and John Larson.

In the attendance contest the  
prizes went to Lloyd Reid and B.  
F. Shafer.

W. A. Fay was introduced as  
the president of the local Salva-  
tion Army advisory board and  
Mr. Fay then introduced Mrs.  
Dunham as the speaker of the  
day.

The speaker has had thirty-six  
years of experience in the Salva-  
tion Army work and is thus fa-  
miliar with every phase of what  
the army is attempting and ac-  
complishing. She referred to the  
fact that the army is now work-  
ing in forty-two different coun-  
tries and has a total of 25,000 of-  
ficers. The conditions which the  
army finds in some of the larger  
cities were described and Mrs.  
Dunham made an earnest appeal  
to the club men to aid in enforce-  
ing the 18th amendment and to in  
other ways co-operate in the re-  
form program.

The guests of the afternoon  
were Lieutenants Weber and Hall  
of the local Salvation Army; Rev.  
A. E. Cole of Roodhouse; Len  
Coley, Bloomington; William  
Wright, the new manager of the  
LaCrosse Lumber Co. here; Rev.  
T. H. Tull and Fred Eyre of this  
city.

**WOODSON DOMESTIC SCIENCE CLUB MET**

The regular meeting of the Woodson Domestic Science club was held Wednesday afternoon at the home of Mrs. Margaret Kline. The roll call proved especially interesting as each member

brought and exhibited at this time one of her baby pictures. The program of the afternoon included two papers, one by Mrs. Emma Self on "Foundation Stones to Health," and another on "Building the Next America," by Mrs. J. Chester Colton. Several Victrola selections added to the pleasure of the afternoon. At the business session it was planned to hold an all day meeting at the home of Mrs. Stella Rawlings on Wednesday, Jan. 31. A social hour followed the session, and the hostess served delicious refreshments at this time.

**ALEXANDER**

Mrs. Charles Davis was taken to Our Savior's hospital Wednesday and underwent a surgical operation there. She was yesterday reported to be getting along in a satisfactory way.

Mr. and Mrs. F. J. Kaiser and family went to New Berlin Thursday night to attend a celebration of the twenty-fifth wedding anniversary of Mr. and Mrs. J. W. Sullivan. The affair was planned as a surprise by the children of Mr. and Mrs. Sullivan.

The oyster supper given at the M. E. church Wednesday evening was a successful affair and quite a goodly sum was realized for the treasury of the Willing Workers, under whose auspices the supper was given. Among those from Jacksonville in attendance were Mr. and Mrs. J. Frank Strawn and daughter, and Ernest Strawn. Among Alexander people who were in Waverly Thursday evening were Miss Josephine Rubie, Miss Katherine Turner and William Boggs.

Mrs. Harold Strawn was a Jacksonville visitor Thursday.

Miss Elizabeth Reif, who is taking training at a Springfield hospital, is here for a brief visit with her parents, Mr. and Mrs. J. W. Reif.

**OBITUARY NOTICE of WILLIAM WALKER**

William Walker, son of Christopher and Mary Walker was born in Snettinton, Yorkshire, England, Oct. 18th, 1842, and departed this life Jan. 13th, 1923, at the home of his daughter, Mrs. Ada Ward in Murrayville, at the age of 80 years, 2 months and 25 days.

He came with his parents to America, landing in New York City on his 12th birthday, 1854. Later he went to Brampton, Canada, remaining there until 1864. In the latter part of 1864 he came to Chicago, then to Jacksonville, Ill., and joined Co. 1, 14th Volunteer Infantry, serving with Sherman's army and received his honorable discharge at the close of the war.

He was united in marriage Sept. 18th, 1865, to Miss Catherine Deering of Brampton, Can. He then came to Woodson, Ill., living in Morgan, Scott and Greene counties the remainder of his life.

To this union were born 12 children, 8 sons and 4 daughters, four children preceding him in death. His companion departed this life in October, 1905. He then made his home with his daughter, Mrs. Ada Ward, for 14 years.

In recent years he lived in Jacksonville and Murrayville where his earthly career came to a close.

He leaves to mourn his death 5 sons and 2 daughters, Edward and Charles of Manchester, Mrs. Emma Sorrells of Roodhouse, William, and Robert, and Mrs. Ada Ward of Murrayville and George of Westcliffe, Colorado, and a number of grand and great grand children.

He was a patient sufferer for 18 months and a good neighbor and well and favorably known in the communities in which he lived.

Funeral services were conducted Jan. 15th at 10 o'clock a. m. at the Methodist Episcopal church at Murrayville by the pastor, Rev. W. C. Harris, with interment near White Hall.

Those who attended the funeral from out of town were George Walker, Westcliffe, Colo.; Mr. and Mrs. Edward Walker and son Christopher, and Charles Walker of Manchester, Mr. and Mrs. James Herring and Lee Ward of Lynnville, Mrs. Emma Sorrells and daughter Catherine and Mrs. Claude Martin of Roodhouse, Guy Sorrells of Alton, William Phalen, Mrs. Wm. Kennedy, James Harney and wife, Mr. and Mrs. Lee Harney, Mrs. Mable Oris, Ethel and Lloyd Walker, Miss Mary Whewell and Mr. and Mrs. Austin McPherson of Jacksonville.

We wish to express our sincere thanks to all who helped us in any way during the illness and after the death of our father, William Walker. Also for the beautiful flowers.

Mr. and Mrs. Huston Ward.

**You Will Never Understand**

how delicious Karo is until you taste it. Nor how economical it is until you serve it to the entire family. Nor what a wonderful energy food it is for little folks until you serve Karo spread on sliced bread. Your grocer sells Karo.

Why not make some delicious Divinity Fudge today?

2 cups Granulated Sugar 1/2 cup Chopped Nuts  
1 cup Karo, Red Label 1/2 teaspoon Salt  
2 Eggs (whites only) 1/2 cup Water 1 teaspoon Vanilla

Boil eggs, Karo, salt and water together until it forms a hard mass in cold water. Beat whites of eggs stiff and gradually pour on the hot syrup, beating constantly. When mixture begins to thicken, add nuts and raisins, and drop from teaspoon onto oiled plate. This candy may also be made into a roll which may be then covered with dripping chocolate, and cut in half-inch slices. Candied cherries, or candied pineapple make a pleasing addition.

**E** MILE BOLA, the great French realist, once said that there is no satisfaction in this life equal to the contemplation of some work well done.

The service rendered to others is a privilege, the reward for which lies in the contemplation of its fullness, its unselfishness and its integrity.

Upon these things alone is founded success, for success, as the world understands it today, is measured by appreciation of service rendered rather than by an accumulation of material things.

## INCREASED SELLING BRINGS LOWER PRICES

CHICAGO, Jan. 18. — Almost  
complete stoppage of new export  
business in breadstuffs led to in-  
creased selling of wheat today  
and to consequent lower prices  
despite bullish domestic crop  
conditions. The close was unsettled  
at 1c net decline to 1c gain with  
May \$1.18 1/2 to \$1.18 3/4 and July  
\$1.13 1/2 to \$1.13 3/4. Corn lost 1/2  
to 3/4c, oats finished at 1/2c off to a  
like advance, and provisions up  
12 to 22c.

Bears in the wheat market as-  
serted that owing to the Franco-  
German clash and other European  
troubles the export trade had  
become demoralized for the time  
being and it was estimated that a  
total of only 70,000 bushels of  
wheat had been purchased any-  
where today for trades Atlantic  
shipment.

Notwithstanding that as a rule  
warlike developments tend to  
enlarge demand for grain the  
financial outlook in Europe ap-  
peared to be regarded by most  
traders as soon unpromising that  
there was general doubt whether  
this would be the result should a  
conflict break out at present.

Misgivings as to the crop pros-  
pect for winter wheat in the  
southwest and west were added to  
by continued lack of moisture and  
by indications of a cold wave. Es-  
pecially during the last part of the  
day, this brought about some de-  
mand for July and September con-  
tracts and rendered prices for  
those months relatively firm.

May wheat however in which  
activity was greater showed a de-  
cided absence of power to rally  
and finished heavy at about the  
bottom figures of the day.

News of a general drought in  
Argentina had a steady inflating  
influence on corn and oats.

Provisions were strengthened by  
higher quotations on hogs.

### FIRE SALE

Our store will not open  
until 9 o'clock this morning  
in order to give us a chance  
to straighten up and put out  
more merchandise.

### WILL TAKE OFF

ALL EXCESS FAT  
Don you now that there is a  
simple, harmless, effective reme-  
dy for overweight that may be  
used safely and secretly by  
any man or woman who is  
losing the slimmness of youth?  
There is; and it is none  
other than the tablet form of the  
now famous Marmola Prescrip-  
tion, known as Marmola Prescrip-  
tion Tablets. You can well ex-  
pect to reduce steadily and easily  
without going through long sieges  
of tiresome exercise and starva-  
tion diet. Marmola Prescription  
Tablets are sold by all druggists  
the world over at one dollar for  
a case, or you can secure them  
direct from the Marmola Co.,  
4612 Woodward Avenue, Detroit,  
Mich., on receipt of price.—Adv.

### NOTICE OF FINAL SETTLE- MENT.

In the matter of the estate of  
Kate Quinlan, deceased.  
Notice is hereby given, that I,  
the undersigned, executrix of the  
last will and testament of Kate  
Quinlan, deceased, have caused  
my final report and account as

## BEARS VIRTUALLY ABANDON OPERATIONS

**FINANCIAL SUMMARY**  
Day's total sales \$82,000  
shares.  
Twenty industrials averaged  
98.09, net gain 1.04; high  
1922, 103.43; low, 78.59.  
Twenty railroads averaged  
84.90, net gain .37; high 1922,  
93.99; low 73.43.  
Bond sales (par value) \$11-  
11,534,000.

**NEW YORK, Jan. 18.** — Dis-  
couraged by their inability to  
bring out more stocks in their re-  
cent drive, bear interests virtually  
abandoned operations on the  
short side in today's stock market  
and operators for the advance  
with little difficulty in bidding  
with prices.

Net advances of 1 to 2 points  
were quite common at the close  
with a number of specialties re-  
cording substantially higher  
prices.

Bullish interests were enjoined  
by the less bellicose despatches  
and the continued improvement  
in domestic conditions as reflect-  
ed in car loadings particularly of  
general merchandise, higher  
crude oil prices, resumption of  
dividends by Republic Steel pre-  
ferred and the high rate of pro-  
duction and stiffening price ten-  
dency in the steel industry the  
good showing made these indus-  
trial companies in their current  
earnings statements and the con-  
tinuance of low money rates.

Liquidation of foreign bonds  
and the lively competition afford-  
ed by the large volume of new of-  
ferings continued to have a de-  
pressing effect on prices in the  
day's bond market altho in no  
part of the list was the reaction  
as sharp as yesterday.
